## Storage Liability Waiver

### Trailers / Vehicles / Boats / Motorcycles

The Yarmouth International Airport Corporation does not assume any responsibility or liability, for any reason or cause, for damage to vehicles, trailers, vehicles, boats, motorcycles, and/or equipment utilizing facility storage areas or buildings.

We require that the owner or his/her representative prior to the storage of the trailer, vehicle, boat, motorcycle and/or equipment read and sign this liability waiver.

As per our policy:

Owners are responsible to provide oil / transmission drip trays if needed.

Owners are responsible to winterize trailer prior to drop off

Owners are responsible for putting traps over stored items

Vehicle batteries are to be disconnected

All vehicle keys are to be kept on site

Once parked trailers, vehicles, boats, motorcycles and/ or equipment will not be accessible nor moved by staff. (Only in case of emergency)

I acknowledge the above, and understand that the Yarmouth International Airport Corporation is not liable for any loss and/or damage to the aircraft, vehicle, trailer and/or equipment that I am having stored in facility storage areas or buildings.
